CIRCULAR LOOMS

Our knitting looms offer the best technology for the production of high quality knitted fabrics. They are ideal for the manufacture of a wide range of products, from sports fabrics, stretch fabrics, home textiles to specialty fabrics, such as sash, interlock, rib and jacquard fabrics. With customized options to meet your production needs, we guarantee efficiency and versatility to meet market demands.

SERIE XS

Single Jersey Circular Knitting Machine

- Three thread fleece circular knitting machine
- Single jersey circular knitting machine
- Single velour terry circular knitting machine
- Single polar terry circular knitting machine

Technical Specification

Cylinder Diameter	14"-68"
Gauge	12G-44G
Feeder number	36F-408F

Application

Vest. T-shirt, sportswear, aerobic suit and swimming suit.

SERIE XD

Interlock/Rib Circular Knitting Machine

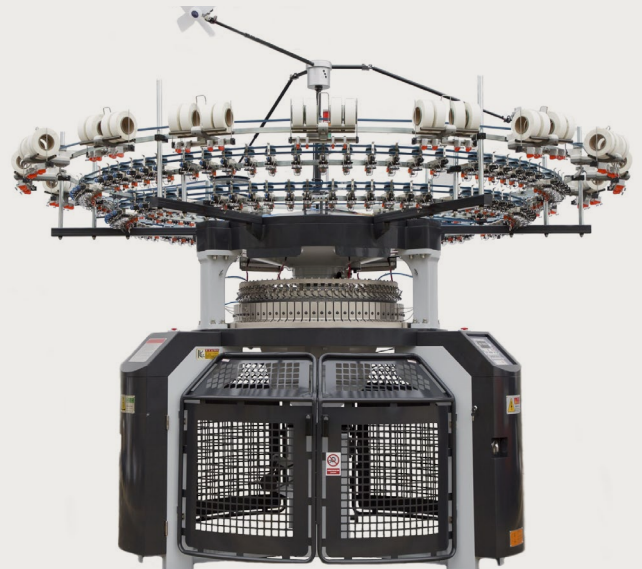

- Interlock circular knitting machine
- Rib circular knitting machine

Technical Specification

Cylinder Diameter	14"-46"
Gauge	12G-44G
Feeder number	28F-130F

Application

Rib, interlock and 8 locks structured fabrics.

SERIE XSO

Single Jersey open width circular knitting machine

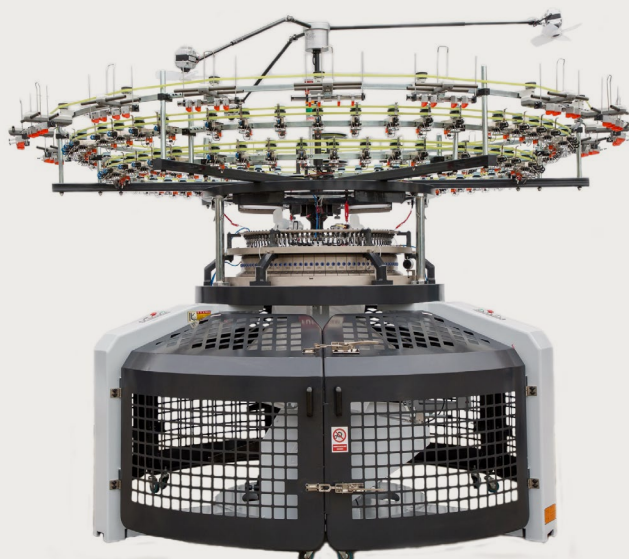

- Single Jersey open width circular knitting machine
- Three thread fleece open width circular knitting machine

Technical Specification

Cylinder Diameter	26"-68"
Gauge	14G-44G
Feeder number	78F-408F

Application

Vest. T-shirt. Sportswear, aerobic suit and swimming suit

SERIE XDO

Interlock/Rib open width circular knitting machine

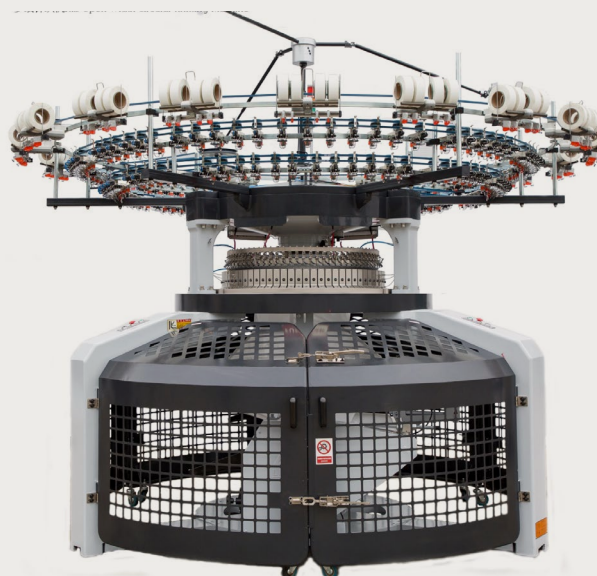

- Interlock circular knitting machine
- Rib circular knitting machine

Technical Specification

Cylinder Diameter	26"-52"
Gauge	16G-40G
Feeder number	56F-148F

Application

Rib, interlock and 8 locks structured fabrics.

SERIE XSC

Single computerized Jacquard circular knitting machine

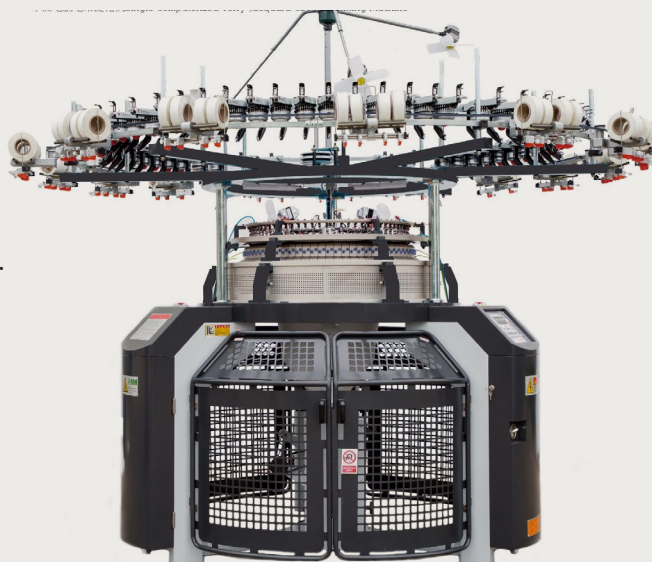

- Single computerized jacquard circular knitting machine.
- Single computerized mesh jacquard circular knitting machine.
- Single computerized terry jacquard circular knitting machine.

Technical Specification

Cylinder Diameter	12"-44"
Gauge	7G-32G
Feeder number	34F-84F

Application

Fashion clothes and underwear.

SERIE XDC

Double computerized jacquard circular knitting machine

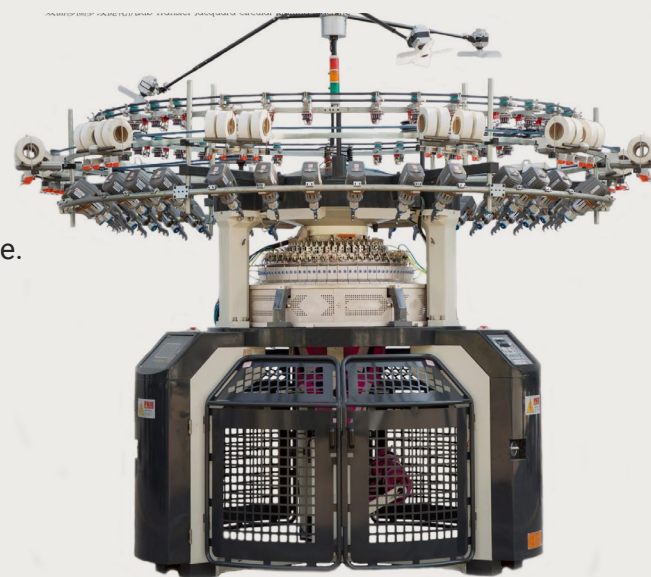

- Double computerized jacquard circular knitting machine.
- Dial & cylinder computerized jacquard circular knitting machine.
- Transfer Jacquard circular knitting machine.

Technical Specification

Cylinder Diameter	17"-42"
Gauge	7G-32G
Feeder number	54F-84F

Application

Clothing, sheet, pillow towel, fabrics for children and other home textiles.

SERIE XDC

Links-links computerized jacquard circular knitting machine

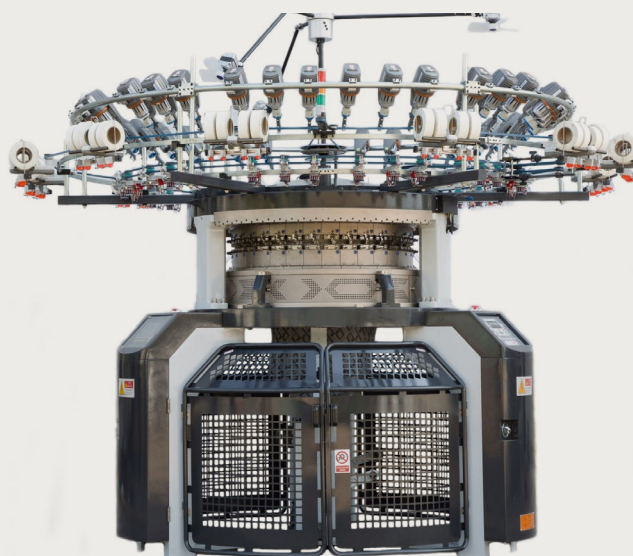

- Links-links computerized jacquard circular knitting machine

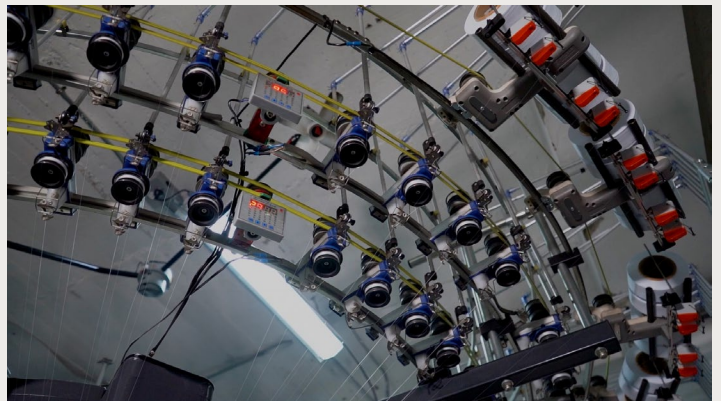

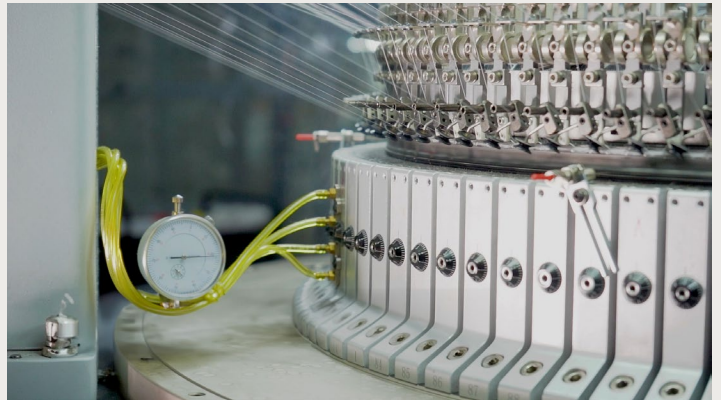

Technical Specification

Cylinder Diameter	30"-38"
Gauge	7G-19G
Feeder number	18F-32F

Application

Fashion clothes
